

David M. Fiebig

Willoughby Hills Councilman-at-Large

August 2017

Dear Neighbor,

Willoughby Hills is close to my heart. I've invested countless hours into seeing that our city government is run **fairly, efficiently and honestly**. I have never forgotten that **I work for you**, the residents and taxpayers of our community.

I believe that we have a **great place** to live, work and raise a family. We have such a golden opportunity to move our city forward. Now, with almost ten years of **experience** on City Council, I will place my name on the ballot for your consideration this November for **re-election**.

As I've heard from many of you, we agree that we want **ethical government** that follows the due process, with the legislative and executive branch **respecting the laws** of our city.

The process of running our local government must be **fair, open and competitive**. Along with my colleagues, **Nancy Fellows, John Plecnik and Jan Majka**, we are holding our administration accountable. Recently, we have been able to **save money for our residents** through these efforts.

I was the first to make a motion to **hold the line on sewer rate increases** and continue to demand a **balanced budget**. I have ushered in a new law for **expanded notification** for proposed cell towers, brought about a new communications committee to begin **upgrades to city communications**, saved our residents thousands of dollars by **sharing equipment** rather than buying rarely used items. I believe a position as important as Fire Chief should be left to professionals and **hiring the strongest and most qualified person** is critical for our safety.

I'm sure you would agree that City Council needs people **who will play by the rules**. That's why I am endorsing **Laura Lenz** to join us on Council to continue this excellent work on your behalf.

We have so much we can do to improve Willoughby Hills in a positive way. **We need to work together to be the best possible city. With your vote we will!** As always, I'm looking forward to hearing from you!

Best Wishes,

P.S. Remember to VOTE November 7th!

See the other side for your invitation to our annual picnic!
